Dear Members of Boston Tamil Association (BTA)

We, the newly elected Board of Directors (BOD) are pleased to welcome all of you to actively participate in all activities and events organized by the BTA during 2011/2012. We like to take this opportunity to thank everyone of you for giving us the opportunity to serve as the BOD for 2011/2012. BTA is a membership driven organization, and we kindly request everyone in our community to become active members and contribute to building up our community and foster growth of this organization. As we start this journey, we would like to ask your corporation, candid and timely feedback and inputs as well as constructive guidance in order for us to navigate our journey ahead and better serve our Ilangai Tamil community in Boston and surrounding regions.

We have come forward to facilitate the needs /activities of our future generation; this effort would aid them in becoming successful citizens and leaders who are connected to their roots and respect the Tamil tradition, values and culture. We would also like to invite our youngsters to take part in all the BTA related activities as members and have their voices heard. We encourage our future generation (NGs and youths) to actively take part in all the events organized by the BTA throughout the year, and assist the BOD in arranging and conducting the events as well as serving as event coordinators and masters of ceremony for these events. We will strive to give them coaching and grooming needed and will do everything possible to make this a rewarding experience for our kids. We would also respectfully request our Elder Members to attend and take part in our activities as well as share their thoughts and experiences.

In order for us to make this happen, we need support from every member in our community. We plan to form sub-committees for every major event planned for 2011/2012, involving the members as a part of these teams to serve alongside with assigned BODs in organizing and conducting the events. BOD is simply a facilitating body; we are counting on each and every member to make this a continued success.

Thank You,  
Boston Tamil Association  
Board of Directors, 2011/2012
